Leading Edge Program Information

Our lab based programming means your children will have unique and fun activities daily.

Challenge Lab: Fun and intellectually stimulating games that will activate students' brainpower and competitive instincts.

Art Enrichment Lab: Hands-on activities that utilize a variety of mediums to challenge students to create in new ways.

Physical Lab: A wide variety of physical challenges and games that will get students moving and playing.

STEM Lab: Engaging and fun activities that foster student interest in Science, Technology, Engineering, and Math.

Reading Lab: Group reading of age-appropriate books led by teachers.

Homework Lab: Time devoted to supporting students in completing that day's assignments.

“

"My son enjoys his time at Leading Edge aftercare, and most days he doesn't want to leave. That's because he has amazing teachers and friends."

-Colorado Springs Family

"Our daughter loves her afternoons at Leading Edge. We're grateful to have such a fun, engaging, and safe place for her to be after school where she can learn, grow, and make some great friendships."

-Denver Family
