Leading Edge Program Information

Our lab based programming means your children will have unique and fun activities daily.

Challenge Lab: Fun and intellectually stimulating games that will activate students' brainpower and competitive instincts.

Art Enrichment Lab: Hands-on activities that utilize a variety of mediums to challenge students to create in new ways.

Physical Lab: A wide variety of physical challenges and games that will get students moving and playing.

STEM Lab: Engaging and fun activities that foster student interest in Science, Technology, Engineering, and Math.

Reading Lab: Group reading of age-appropriate books led by teachers.

Homework Lab: Time devoted to supporting students in completing that day's assignments.

“

"I am so appreciative of the teachers and directors who are working to support middle schoolers – children and adolescents who still need guidance. It takes special people to work with these students and form a relationship, and they have managed to do so."

- Family at Sayreville Middle School

"The teachers are doing a great job helping my son know he is supported and cared for in age appropriate ways. Having homework completed and extra study time helps our family in tremendous ways."
