

Discover Your Growth Mindset

Instead of	Try Thinking
I'm bad at this. I give up.	It's okay. I'll try again.
I'm scared of making mistakes.	I learn through my mistakes.
My classmates are better at this than I am	I can learn from my classmates.
My work is good enough.	How can I make my work better?
I don't need to practice.	I want to improve and grow.
