## Program Information

Our lab based programming means your children will have unique and fun activities daily.

- **Challenge Lab:** Fun and intellectually stimulating games that will activate students' brainpower and competitive instincts.
- **Art Enrichment Lab:** Hands-on activities that utilize a variety of mediums to challenge students to create in new ways.
- **Physical Lab:** A wide variety of physical challenges and games that will get students moving and playing.
- **STEM Lab:** Engaging and fun activities that foster student interest in Science, Technology, Engineering, and Math.
- **Reading Lab:** Group reading of age-appropriate books led by teachers.
- **Academic Lab:** Time devoted to supporting students in completing that day's assignments.

"The staff is absolutely wonderful! I feel my child is safe and well cared for. She loves the art activities and overall activities of the program."

*-Sayreville Family*

"Leading Edge has been helpful to my son and me. The teachers are all very nice and professional and my son sometimes doesn't even want to leave when I pick him up."

*-Sayreville Family*

"The teachers are always so welcoming and kind. I also appreciate the homework support my child receives. It allows me to have better quality time in the evening!"
